

December Students of the Month:

Rebecca Horn – Whitko Jr/Sr School – Sr High Nominee

Rebecca does all her work and has a great attitude in the classroom. She is always positive and encouraging her peers in the classroom.

Rebecca was nominated by Teacher, Byron Osborn.

Lily Robinson – Whitko Jr/Sr School - Jr High Nominee

Lily is an excellent student. She always goes above and beyond in her school work. She doesn't hesitate to ask questions and often works ahead to get things done before they are due. She worked hard to stay caught up as a distance/virtual learner. Now that she is back in person, she willingly helps her classmates and leads by example. Lily was nominated by teacher Sarah Wegener.

Maya Mengerink – Whitko Career Academy

Maya is a pleasure to have in the Criminal Justice Program at the WCA. She comes prepared for class each day and is very attentive often asking questions that spark classroom discussion. She is a great student and has set a goal of becoming a Forensic Psychologist. I have little doubt that with her work ethic and great attitude that she will one day accomplish that goal and be a leader in the field.

Maya was nominated by teacher Justin Faw.

McKinley Rogers – South Whitley Elementary School

McKinley Rogers is an honest and responsible 4th grader. She is a student who participates in class, encourages her classmates, leads through example, and is always eager to learn. McKinley knows the meaning of effort and responsibility and is a delight to have in our classroom.

McKinley was nominated by Teacher, Jane Trump.

Abbigail Shepherd – Pierceton Elementary School

Abbi is truly an asset to our classroom. If someone needs help, she is the first to jump in and offer support. Abbi has a never give up attitude. She works hard in class to make sure she puts forth all the effort it takes to be successful. I can count on her to make the right choices and treat all around her with kindness and respect. She was nominated by Teacher, Kathy Wright.
