ACCIDENTS AND INJURIES
Injured students should be sent/escorted/taken to the clinic immediately so that first aid measures can be taken. If the injury is such that the student should not be moved, the administration should be called immediately. Accident reports will be provided so that records may be kept; please complete an accident report for all student injuries as they may be of extreme value in case of later insurance claims or lawsuits. Accident reports should be sent to the clinic or main office.

ABSENCE REQUIRING A SUBSTITUTE
All absences should be reported in WillSub, even those that do not require a substitute. Be certain that adequate lesson plans are left for your substitute in your room, in your mailbox, or in the office. Teachers should be sure to keep seating charts updated so that the substitute can take accurate attendance.

ANNOUNCEMENTS
Announcements should be submitted to the appropriate persons in a timely manner and should be signed by a faculty member or the administration before submitting. On most days, announcements will be read and/or aired at the beginning of fifth period (some exceptions may occur). Beginning of the day announcements will be read at 8:00 a.m. and end of day announcements will be read at approximately 3:00 p.m.

ATTENDANCE PROCEDURES
Attendance should be recorded and submitted by the teacher through PowerSchool at the beginning of each class period. Students must have an excuse from the office to be dismissed during the day. Students arriving late to a class should be counted as tardy unless they have a pass from the office or another teacher. If the pass is being issued by another teacher, that teacher should pre-arrange the student’s tardiness with that student’s teacher at the time of the tardy. Students who arrive late with no pass should be counted as tardy.

Teachers are to keep track of individual student tardies:
- 1st and 2nd Tardies: inform student of tardy.
- 3rd Tardy: teacher assigns a 1-hour detention (3:10-4:10 p.m.) | meet with student to discuss, write referral, assign detention.
- 4th Tardy: teacher assigns a 2-hour detention (3:10-5:10 p.m.) | meet with student to discuss, write referral, assign detention.
- 5th Tardy: write referral and submit it to administration; Administration meets with student and assigns Saturday School (8:00am-12:00pm)
- 6th Unexcused Tardy: Determined by the administration | meet with student to discuss, write referral, send to Assistant Principal.

BOMB THREATS
If a bomb threat is received and if it is necessary to evacuate the building, we will use the fire alarm signal (steady ringing alarm) and/or PA system. Please evacuate the building and wait for further instructions. Most likely the gym area will be searched immediately and then students will be escorted to this area until the remainder of the building can be checked. During a bomb threat evacuation, please attempt to scan your classroom/hallway area for any type of package or box that is not known to you as you escort your students out of the building. If such an item is found, contact the office immediately. Do Not Try To Examine The Contents Of The Package.

BULLETIN BOARDS
All classrooms have bulletin boards; teachers are encouraged to use this space in such a manner that that positively contributes to the educational goals of their rooms. Both teacher and student planned bulletin boards are encouraged.
CATS PRIDE
Our CATS Pride program is intended to promote and enhance the values, ideals, and principles that we believe are important in being a great school. CATS Pride is an opportunity for each teacher to meet with a small group of students in an informal environment – a main focus of CATS Pride should be on building rapport and positive relationships with students.

The four tenets of CATS Pride are:
- Collaboration/Communication
- Accountability
- Team-Building
- School involvement / School pride

CALENDAR OF EVENTS
A weekly planner / calendar of events will be emailed to teachers. Please post appropriate information on the master calendar no later than the Thursday before the week which you would like your information to be announced (the master calendar located in main office – see Mrs. Bishop). Teachers and sponsors should post major events as early in the school year as possible as to avoid potential conflicts.

CELL PHONES / ELECTRONIC DEVICES
For information pertaining to our student cell phone/electronic devices policy, please refer to the most recent version of our WHS Student Handbook.

Teachers are permitted (and in some instances encouraged) to allow the use of cell phone/electronic devices in their classrooms provided that it is done in such a manner that that positively contributes to the educational goals of their rooms.

Teachers should be diligent and consistent in dealing with cell phone/electronic devices violations.

NOTE: Teachers should not take cell phone calls or have their cell phone on during class time.

CHEATING POLICY
From student handbook:

Unless given permission to work collaboratively, students are to do their own work. If a student chooses to cheat/attempt to cheat, plagiarize, or commit academic fraud (submitting another’s work as their own) the teacher will make a copy of the student’s work which will be kept on file. Parents will be notified and a conference may be requested.

The following disciplinary action will be taken:

First Offense of the semester: The student will receive a zero (0) on the work involved.

Second Offense of the semester: The student will receive a W/F (withdraw/fail) for the semester for that class.

The above will apply to the student doing the cheating and also any student allowing cheating to take place.

Referrals for cheating and/or academic fraud may be taken into consideration when a student applies to organizations such as National Honors Society; additionally, cheating violations and/or academic fraud may result in a student’s removal from any such organization.
Teachers should be diligent in their efforts to proactively assist and mentor students when it comes to cheating (i.e. communication: what cheating is and/is not, when “collaboration” is acceptable and when it is not, what plagiarism is and is not, etc… | supervision: effectively circulating/monitoring during work time so that students are discouraged from cheating, etc…) Teachers should also be consistent in reacting to student cheating: collect evidence, discuss situations with students, written documentation (referral), parent communication, etc…

CLASSROOM / BUILDING SECURITY
When leaving your room at the end of the day:
1. Close windows and adjust draperies.
2. Turn off lights.
3. Lock door.
Frequently it is necessary for a teacher to have a group of students in the building in the evening. Please make every effort to keep your group confined to the room or area in which you are working. Students should not be permitted to roam the halls. When leaving the room or area make certain that windows are closed, lights are turned off and your room is locked. When leaving the building be certain that the outside door is locked, since some door closers drag and do not automatically lock the door when shut.

CLASSROOM CARE
Each teacher is responsible for their room's condition. Each day please check your room for:
1. Writing on desks.
2. Defacing of walls.
3. Unusual amounts of paper in a particular area.

CLASSROOM MANAGEMENT PLAN
Each teacher should have an established classroom management plan; plans should be prepared prior to the start of school and be available upon request. Classroom management plans should include: grading policies for each course taught, behavior expectations, and information pertaining to potential disciplinary consequences. Classroom management plans should align with school goals, school vision and mission, and overall school core values.

CLASSROOM VISITATION
The principal and assistant principal will visit classrooms on occasion for both formal and informal observations and walk-throughs. Teachers should feel free (and are encouraged) to invite other members of the professional staff to observe when applicable.

COMPUTER USE
Staff members are responsible for good behavior on the Corporation's computers/network and the Internet just as they are in classrooms, school hallways, and other school premises and school sponsored events. Communications on the Internet are often public in nature

Staff members shall not access social media for personal use on the Corporation’s network, and shall access social media for educational use only after submitting a plan for that educational use and securing the principal’s approval of that plan in advance.

General school rules for behavior and communication apply. The Board does not sanction any use of the Internet that is not authorized by or conducted strictly in compliance with this policy and its accompanying guidelines. Users who disregard this policy and its accompanying guidelines may have their use privileges suspended or revoked, and disciplinary action taken against them. Users granted access to the Internet through the Board’s computers assume personal responsibility and liability, both civil and criminal, for uses of the Internet not authorized by this policy and its accompanying guidelines.
CONFIDENTIALLY

By nature of our work, teachers will have access to a myriad of confidential information; this information must be kept confidential. Please do not allow students access to your computer or students records unless you will be supervising them closely.

CURRICULUM

Teachers must follow Indiana State Standards as outlined by the state Board of Education (IDOE).

CUSTODIAL SERVICE

If custodial services are desired, please fill out a "Custodial Work Request" form and submit to the principal. If you have a complaint about the custodial work, please handle this through the principal as well. In cases needing immediate attention, please call the main office.

DANCES

The advisors of the sponsoring organization are responsible for making certain rules and regulations for dances are properly communicated and administered. All dates for school activities must be cleared through the Principal's office.

Dance Regulations

1. Since they are school sponsored events, all rules and regulations of the Whitko High School student handbook will be in effect at dances (dress code exceptions may occur).
2. No student below 9th grade will be admitted to the dance.
3. No student may leave the building after being admitted to the dance until they are ready to leave permanently.
4. Only students of Whitko High School will be admitted to the dance unless cleared with sponsors in advance.
5. Each club or organization sponsoring a dance must provide at least three chaperones. (Administrators are not included in this number.) At least one of these chaperones should be a female.
6. Each club or organization that sponsors a dance is responsible for paying a security officer. Arrangements will be made by the principal or assistant principal.
7. Dances should conclude by 11:15 p.m., unless approved by principal or assistant principal.

DISCIPLINE

All personnel of Whitko High School (administrators, teachers, secretaries, aides, custodians, bus drivers, etc.) have a responsibility in maintaining high behavioral expectations and proper student discipline. First and foremost, teachers and staff members are to lead by example when it comes to safety, appropriateness, respect, and behavioral expectations. Students are to respect and obey the authority of these people at all times, teachers and staff members are to lead by example at all times.

Maintaining a positive educational environment and student control is a basic responsibility of the teacher. If you need to remove a student from your classroom, write a specific explanation on a disciplinary referral form and send the student to the assistant principal’s office. While administrators are available to help teachers/staff members with student discipline problems, it strengthens your position to handle them yourself whenever possible. You are expected to take charge of the classroom environment and handle your problems, but you are also encouraged to ask for advice and assistance when needed.

Teachers cannot permanently remove a student from a course. If a student discipline issue gets to the point where permanent removal becomes a legitimate consequence, a student-teacher-parent-administrator conference must be held.
**DISMISSAL OF CLASSES**
Students are not automatically dismissed by the bell. It is expected that teachers and students work from bell-to-bell on a daily basis; teachers may keep students beyond the dismissal bell if and when necessary. As a matter of professional courtesy, please inform the office (and other staff members via email) immediately if you keep your students beyond a few minutes.

**DRESS**
Teachers are to dress in a professional manner. Jeans and/or other casual clothes are not to be worn without administrative approval (examples of casual clothes would include: sweats, sweatshirts, t-shirts, shorts, flip-flops, etc…) Dress should be modest and appropriate in nature and should not be disruptive the educational and/or professional environment. Teacher dress may vary based on teaching duties (example: welding teacher permitted to wear jeans on a daily basis, P.E. teacher permitted to wear shorts while teaching P.E.) and/or in accordance with administrative policy (example: casual Fridays).

**DUPLICATING EQUIPMENT**
Copy machines are located in the teachers’ work room and in the media center. If in doubt about the operation of duplicating equipment, please ask for assistance from the office personnel as the proper use of these machines benefits everyone. Teachers should plan in advance and students should not be sent from class to make copies. If students are sent to the work room or media center, they should have a signed pass and should be reminded to see an adult in the office or media center for permission before using the copy machines.

**E-LEARNING**
We recognize the need to provide students with an opportunity to participate in an alternative means of instruction when the traditional school day is compromised due to inclement weather or an unforeseen circumstance. E-Learning is an educational option and learning experience that is designed to extend, enhance, supplement and serve as an alternative to classroom instruction.

**Our Model**
The model Whitko Community Schools has selected would NOT be on the same day as the event. School would not be in session that day. Instead, a later date would be set, most likely a Saturday two or three weeks later, as our "make-up date." No one attends school on the make-up date. Teachers will share their E-Learning lessons with their class. Students will be given 5 days to complete this lesson outside of the typical school day and turn in any work. Each building would allow access after school either Thursday/Friday, or Monday/Tuesday to make tutoring and internet accessible to all students.

**Academic work completion/submission and attendance**
All work should be completed and turned in to teachers five (5) days after the E-Learning day. If work is not turned in at the end of the fifth day, the student will receive an unexcused absence for the class periods in which the work is missing.

**Procedure for extra-curricular activities, including athletic practices**
Our typical E-Learning days should not impact these activities. On E-Learning days there can be athletic practices between 8:00 A.M. and 3:30 P.M. Practices and events after 3:30 P.M. will operate as normal.

**E-MAIL**
E-mail should be used for the majority of written correspondence. Teachers should check their e-mail at least 2-3 times per day and always prior to leaving school in the afternoon. E-mail should be used primarily for school related business; if using Whitko E-mail for personal business, please use professional discretion.
in regards to content and frequency of use. E-mail should rarely be used during school hours for personal business and should never be used to send or receive questionable or inappropriately material. Faculty/staff should not assume any element of privacy when it comes to the use of school e-mail.

E-mail should be checked at least once per week during the summer.

**EVALUATION OF STAFF**
The principal and the assistant principal will conduct evaluations for all teachers; all teachers will be evaluated each year.

*For more information regarding evaluations please see the Whitko Evaluation Handbook*

**FACULTY SIGN OUT**
All faculty members must sign out when leaving the building during regular school hours; a “sign out” book is in the front office. When leaving during a preparation period, approval from the administration must be secured. Those teachers that need to leave the building frequently in order to carry out school business should discuss this with the principal. Any time a teacher must be gone from the school for personal reasons, the teachers must have approval from the administration.

With the approval of the respective building principal, a teacher may be excused, without the use of any leaves available to the teacher hereinafore and without loss of pay, for a justifiable reason during the time or portion thereof when the teacher does not have assigned duties.

In the event a teacher works part of a half day, administrative may approve no deduction for partial periods worked such as a teacher becoming ill near the end of the day and a colleague covering for them or for a teacher trying to make it through a day but is unable.

**FACULTY SPONSORED ACTIVITIES**
ALL activities conducted at Whitko High School are to be under the supervision of a faculty member or advisor. Students are not permitted to work on school related projects or take part in an activity at any time without a faculty member in charge and present. Sponsors should be the last person to leave the building after an activity.

**FIELD TRIPS**
All field trips must be approved by the school board; field trip requests must be submitted to the principal by the first Friday of the month so that the board can take action on the request during its monthly meeting (typically held on the third Monday of each month). All field trips must contribute to and/or enhance the educational experience of WHS student in a positive capacity. Instructional objectives must be presented (in writing, by the sponsoring teacher) to the building principal for approval before being submitted to the school board.

An alphabetized list (last name/first name) must be given to administration, the attendance secretary, and all teachers at least one week prior to the trip. During all field trips, sponsors should carry with them a list of students to ensure that all students are present and accounted for prior returning to the school. Students must have a parental permission form on file before leaving on any field trip; planned absence forms must be completed by students prior to the day of the trip; planned absence forms require signatures from filed trip participants teachers giving them permission to be absent from class. Administration and/or another teacher may deny individual students permission to go on the trip due to excessive absences, poor grades, or disciplinary considerations. Most trips should be within the limits of our local community. The local community is defined as an area in which the total distance for any trip will permit students to leave after buses arrive at school in the morning and return before school is dismissed in the afternoon. Trips within the immediate community still must be approved by the principal. Pay for field trip bus drivers shall be paid by the club or organization (through Central Office). The use of student driven cars is strictly
prohibited. The Whitko High School dress code applies to students attending field trips; students may be denied field trip privileges if the WHS dress code is violated.

Emergency medical forms must be signed by the parent/guardian for any field trip requiring an overnight stay – these emergency medical forms must be kept by the accompanying sponsor or supervisor (emergency medical forms are available in the front office). An Emergency Medical Form giving parent permission for treatment of a sick or injured student should be carried by the accompanying sponsor or supervisor for any trip beyond a fifty (50) mile radius of Whitko High School.

Overnight field trips require a detailed itinerary be provided to the main office before departure. The itinerary must include: destination(s), itinerary/time line of events and locations, and emergency contact information, including 24 hour phone contact.

It may be necessary to charge students for field trips due to rising transportation costs. It would be the field trip sponsor’s responsibility to collect these fees.

Field trips should not be planned for the last two weeks of each semester and/or during ECA testing windows.

**FINANCIAL PROCEDURES**
The following instructions for receiving, disbursing and recording extra-curricular activity fund money conforms to the requirements of the State Board of Accounts; modifications in these procedures may be made upon per approval of Principal or Treasurer of Extra-Curricular Accounts:

1. The extra-curricular treasurer will provide an envelope and deposit form to use when depositing money.
2. The organization treasurer or sponsor will turn in all money personally to the extra-curricular treasurer. DO NOT turn in money via the extra-curricular treasurer’s mailbox.
3. Extra-curricular money should be kept in the school safe at all times even though the sponsor may not ready to deposit the money. Money must never be kept in the classroom, in desks, or taken home; money should be kept under lock and key at all times.
4. Each organization treasurer or sponsor must check with the extra-curricular treasurer to make sure there are sufficient funds to cover the amount of a purchase.
5. Our school’s Purchase Order forms, properly signed by the activity’s sponsor, must be used prior to the ordering or purchasing of all materials/goods/products. The school will not be responsible for bills or invoices for which it does not have a properly signed Purchase Order. Invoices must accompany Purchase Orders.
6. Any Purchase Order concerning athletics must be signed by the Athletic Director.
7. All checks are written by the extra-curricular treasurer and signed by both the treasurer and the principal; either party may refuse to sign a check if there is any confusion.
8. It must be understood that the high school does not have an open charge account anywhere. No individual has permission to charge anything to the Whitko High School. It takes very little time to get and properly fill out a Purchase Order approved.
9. All receipts and invoices for items purchased must be turned in to the treasurer before the bill can be paid.

**FIRE AND TORNADO INFORMATION**
Fire and tornado drills will be held regularly during the school year. Drill instructions are posted in each classroom. Teachers may/will be asked to take attendance and account for their students during emergency drills.

**FUND RAISERS**
While our community is typically supportive in assisting us financially, fund raisers should be kept to a minimum. The faculty member responsible for a proposed fund raiser must complete and submit a
"Fundraiser Form" to the principal (or athletic director for sports related fund raisers) for approval prior to beginning any fundraising activity.

**GRADING PROCEDURES**

All teachers will record grades by computer via PowerSchool (hardcopy grade books will be provided upon request). At minimum, teachers should record/update student grades on a weekly basis. Textbook numbers, homework grades, quiz grades, test grades, recitation grades, and final exam grades should be recorded.

It is recommended that teachers show a worst-case scenario when it comes to student grades (marking incomplete and/or missing assignments as zeros) throughout the course of each semester as opposed to leaving missing grades blank then changing missing grades to zeros near the end of a semester. It is expected that teachers will take the responsibility of communicating poor/failing grades to both students and parents beyond simply uploading student scores to PowerSchool. Student should rarely fail a class without having been contacted by a teacher in some capacity (phone call, letter, email, etc…) Teachers should document all student/parent communication in regards to poor/failing grades.

At the end of the school year, records will be housed in the high school office for future reference. Complete and accurate records protect the teacher and the school when any questions arise.

Within the first week of the first semester (and second semester if new courses are being taught), each teacher must present, to the principal, a copy of his/her grading procedures for each course he/she teaches.

Grade cards will be issued to students during lunch the Wednesday following the last day of the fall semester. Grades for the second semester will be available in the office one week after school ends. Unclaimed cards will be mailed to the home.

**HOMEWORK POLICY**

From student handbook:

It is our belief that for students to be successful, it is important that coursework be done inside and outside of the classroom; homework can and should be expected. Teachers should make homework relevant to the work done in class and homework should be practice to solidify, support, and accentuate in-class learning. Work should be meaningful and constructive. Teachers may utilize homework policies and/or disciplinary consequences if students do not complete homework. Student grades will reflect the completion of all work, including outside assignments.

**INCLEMENT WEATHER**

When weather conditions make it necessary to delay the start of the school day or cancel school for the day, school officials will notify radio stations WOWO (AM 1190), WMEE (FM 97.3), WRSW (AM 1480 & FM 107), WBTU (FM 93.3), and WBCL (FM 90.3). Also TV stations 15, 21, 33, and 16. Students and parents should listen to the radio for school delay/closing announcements. The school delay or closing will be announced as “Whitko Schools” or “Whitko Community Schools”. In the event that schools are closed
due to inclement weather, all buildings will be closed to students for the remainder of that day. All activities including athletics, plays, school newspapers, etc., and practices for such activities, will also be canceled. Any exception must be approved by the Superintendent of Schools. It may be in the interest of the student to sign up for textcasting offered by Indiana News Center web site [http://my.textcaster.com/servepopup.aspx?Id=422](http://my.textcaster.com/servepopup.aspx?Id=422). Teachers and other staff members may utilize a phone chain to communicate delays and/or cancellations.

NOTE: Days missed due to inclement weather will be added to the end of the semester and/or made up as previously scheduled “make-up” days.

**INTERRUPTIONS**
All forms of interruptions, including public address systems and personnel interruptions shall be kept at a minimum.

**KEYS | LOCKING DOORS**
Each faculty member will be provided with keys to the appropriate door(s) to his/her teaching area(s). Teachers are expected to lock their rooms when at lunch, out of the room for an extended period of time, and at the end of each school day. Guard carefully against the loss of your keys. Do not let students borrow your keys! If you have keys in your possession that you no longer need or if you need additional keys please see the principal. In addition to locking your classroom door(s), please be certain to close all windows and push exteriors doors shut as you leave the building at night and on weekends. Our building is equipped with an alarm system which may be engaged late at night, on weekends, and during vacation periods. Please do not leave exterior doors propped open at any time.

**LESSON PLANS**
As part of the WCS evaluation system, planning and preparation will be observed and evaluated. It is important that teachers plan their work ahead of time and maintain written lesson plans (lesson plan books will be made available upon request). Teachers should spend a considerable amount of time transforming their established curriculum into daily lesson plans; lesson plans must include/demonstrate:

1. Knowledge of content and pedagogy
2. Knowledge of students
3. Instructional outcomes
4. Knowledge of resources
5. Purposeful/planned coherent instruction
6. Purposeful/planned student assessments

**The 4 Questions** (should be an integral part of all lessons)

1. What do my students need to know? (instructional outcomes, planning/preparation, success criteria)
2. What will I do to make sure they know it? (instructional strategies, sticky ideas, feedback)
3. How will I know if they know it? (formative/summative assessment)
4. What will I do if they don’t/do know it? (remediation/enrichment)

**LOCKDOWNS**
“Lights-On” lockdown: keep classroom lights on, lock all doors, and continue teaching. Do not allow students to leave your room/secured area until the “all clear” signal is given.
“Lights-Off” lockdown: turn classroom lights off, lock all doors, close window shades, and discontinue teaching, quickly move all students to an area of your classroom/secured area where they are not visible to someone outside of your classroom/secured area. Do not allow students to leave your room/secured area until the “all clear” signal is given.
“Perimeter” lockdown: all school business will go on as normal; no one will be permitted to leave the building until the “all clear” signal is given. Cadet teachers, PCI students, and any student who may not have a regularly scheduled class should report to the media center or study hall.

**LUNCH**

Adult lunch prices will be determined each year by the cafeteria staff. Teachers will have a 30 minute duty-free lunch each day. As we have a closed lunch period, students will not be allowed to leave the building during their assigned lunch time. All areas where classes are in session are off-limits to lunch students unless given permission and a written pass by a teacher. Please let someone in the main office know if you are leaving the building during your lunch.

**MAILBOXES**

A mailbox for each teacher and staff member will be provided in the teacher work room. Teachers should check mailboxes upon arrive in the morning, during their prep periods, and before leaving in the afternoon. If students are sent to the office with material to be put in the faculty mailboxes, please have them leave the materials with a secretary to distribute.

**MAKEUP WORK**

From student handbook:

>Credit for make-up work shall be allowed. Make-up work shall be equivalent, but not necessarily identical, to the instruction presented in class. Students are to request make-up work and shall be given one calendar day for each missed day to complete the make-up work. Extended illness shall be handled on an individual basis. Homework assignment requests should be made by calling the school office by 10:00 a.m. Homework may be sent home with another student or picked up in the school office according to arrangements made. Homework will be secured when a student has been absent 2 or more days with a parent contact.
